

AGUA Apparel Policy

Updated September 2025

To ensure team unity and a consistent presence at competitions, the AGUA Swim Team maintains the following apparel requirements:

Team Branded Gear at Swim Meets

- **Mandatory:** All swimmers must wear AGUA team-branded gear at every swim meet.
 - The team will designate a **specific T-shirt color** for each day of competition.
 - Swimmers must arrive at the competition venue **wearing the designated team T-shirt** and have it **visible in the team area and on deck**.
-

Outerwear Requirements

- If swimmers choose to wear a sweatshirt, jacket, or parka at swim meets, it must be **AGUA team-branded gear**.
 - All required and optional team apparel, including outerwear, is available for purchase in the [AGUA Team Store](#).
-

Consequences for Non-Compliance

To maintain fairness and accountability, the following process will be followed for apparel infractions:

- Swimmers who arrive on deck without the **designated team gear visible** on three occasions will be **scratched from the competition**.
- **First Infraction:** In-person warning from a coach and first formal letter of warning sent home.
- **Second Infraction:** In-person warning from a coach and second formal letter of warning sent home.
- **Third Infraction:** Athlete will be **scratched from competition**, and a formal letter will be sent home.

SwimOutlet offers AGUA branded apparel all year and athletes are expected to replace lost items before the next meet.

Policy Reminder: Wearing team apparel is an essential part of representing AGUA at the highest standard. These expectations promote team unity, maintain standards, and ensure swimmers are prepared to compete at their best.
